STATE OF INDIANA HAMILTON COUNTY?

IN THE MATTER OF THE R.C. INMAN et.al, DRAIN. EEPORT OF HUGH JOFFISON, COUNTY SURVEYOR, HABILTON COUNTY. INDIANA. to the honorable board of commissioners, Hamilton County, INDIANA.

The undersigned Surveyor of Hamilton County, State of Indiana to whom was refurded the above entitled petition for drainage at the regular session, May Term of the Commissioners Court, would respectfully report that as directed by the order given by the Auditor. I made on May 18eth.1909. all necessary surveys and personal inspection of the lands named in the pertition and all other lands likely to be affected by the proposed drain and that I would respectfully report as follows :-

That the drainage as proposed in the petition is practicable; that the same when constructed will improve the public helth and will be of public utility; that said proposed drainage will benefit two public highways in Washington Township said County and State; that the cost of construction and expenses of effecting said proposed drainage will be less than the benefits to the owners of the landg assessed Tor the construction.

• I would further respectfully represent and show to the Board that the proposed drain will not exceed two miles in length and will not cost to exceed Three Hundred Dollars exclusive of the tile that may be used therein, and that I am not interested in the proposed drainage, and that I am not in any relation to any of the parties likely to be affected thereby.

# LOCATION

Beginning at a yoint 5 rods south and 1 rod east of the South West corner of the North  $\frac{1}{2}$  of the South East Quarter of the South West Quarter of Section 29 Township 19 N,R,4 East, Run thence south 45°west 40 ft, thence south 560 ft, thence south 50° west 40 ft thence south 75° west 1360 feet, and terminating in an open drain, the Wheeler & Bails Ditch at station 190+25

# R B Q U I R B M B N T S

# STONE RETAINSTRUCTURE ALL DATES

At station 20 to be constructed a retaining wall built of stars of or cement(if cement to be built as the Engineer may direct)if of stone the wall to be laid up in cement morter mixed one part cement to two parts clean, sharp sand. Wall to be 15'x 5'x 2', and set to such a grade as the Engineer may require.

# LANING TILF , FILLING DITCH AND CLEANING BANKS.

The tile shall be laid in a trench in a true line with joints well matched and at proper grade as shown on the profile hereto attached and marked Exhibit B and made a part of this report, and shall be left uncovered until examined by the Superentendent in charge of the vork, After which the trench shall be filled full of earth to the satisfaction of the Engineer.

# 

At station 0 to be constructed a catch basin. Said basin to be 3 feet in diameter inside masurement with walls 9 inches in thickness and to extend to a depth of 18 inches below the bottom of the tile and to a hight to conform to the general conditions of # the ground. Walls of catch basin to be laid up of hard burnt brick with cement morter composed of one part Portland cement to three parts clean, sharp sand, and to be covered over with an Iron ring and open cover 18 inches in diameter of the Elwood Iron Works pattern. The bottom of the catch basin to be floored over with one layer of brick and well plastered over the bottom and sides to a hight of one foot above the top of the tile. Tile entering and leaving the catch basin to be first grade sewer tile of the proper size.

## FALL OF ESTABLISHED GRADE

From station 0 to station 20 8/100 foot to each 100 feet.

STATE OF INDIANA 88:-HANTLY OF COUNTY

The undersigned Surveyor of Hamilton County, Indiana, to whom was refured the above entitled petition for report, after being first duly sworn upon his oath, says that he made personal examination of each track of land assessed for benefits and injuries in the forgoing report, and that he has examined the whole line and route of the proposed drain, that the assessments herein made and reported are just and equitable to all parties named therein as interested; that no other lands will be menefitted or injured by said proposed drain; that the above and foregoing report is true in substance and in fact as I verily believe.

Kugh Johnson Surveyor of Hamilton County.

Subscr ibed and sworn to before me this the 25 day of May, 1909.

Auditor of Hamilton County.
