Re: H.G. Kenyon Drain (Revised)

The following report is a revision of my report dated February 6, 2007 for the extension of the H.G. Kenyon Drain.

Attached is a petition from residents of Ridgewood requesting that the H.G. Kenyon Drain be extended downstream and placed on maintenance to improve the drainage within Ridgewood.

The H.G. Kenyon Drain shall be extended approximately 571 feet, from the current terminus per the 1880 legal description (Sta. 43+00), following the existing open channel to the eastern property line of parcel 08-09-12-00-00-048.000 and 08-09-12-00-00-050.000, owned by William and Jane VanOsdol and CIT Group Consumer Finance, Inc, respectively.

My original Surveyors Report, dated February 6, 2007, had the drain extending farther east across the parcels owned by Cielo Ranch LLC. However, after meeting with Robert O'Brien, the owner of Cielo Ranch LLC, and seeing the improvements that Mr. O'Brien has made to the ditch, I believe that the extension should terminate at the east line of the Ridgewood Subdivision. In the future, if the Cielo Ranch property is developed, the H.G. Kenyon Drain should be extended across the property at that time to the point where it meets the main channel, that channel, running north and south is also the outlet the for Harmon Clark Drain.

The easement for the parcels within Section 2 of Ridgewood shall be the easements shown on the Secondary Plat for Ridgewood Section 2, as recorded in the Office of the Hamilton County Recorder and shown in Plat Book 6, pages 75 to 77.

This extension of the H.G. Kenyon Drain will add easement to the following parcels:

<u>Parcel Number</u>	<u>Owner</u>
08-09-12-00-00-041.000	Debbie and Torrance Dunn
08-09-12-00-00-042.000	Steven Patton
08-09-12-00-00-043.000	Laura Mikesell
08-09-12-00-00-048.000	William and Jane VanOsdol
08-09-12-00-00-049.000	Danny and Theresa Ealy
08-09-12-00-00-050.000	CIT Group Consumer Finance, Inc.

I have reviewed the plans and drain map and believe the drain will benefit each lot equally. Therefore, I recommend each lot be assessed equally. I also believe that no damages will result to landowners by the construction of this drain. I recommend a maintenance assessment of \$2.00 per acre, with a \$5.00 minimum. The following parcels are the new parcels that should be added to the assessment rolls:

<u>Owner</u>	<u>Parcel Number</u>	<u>Acreage</u>	<u>Assessment Amount</u>
Kristina Green	08-09-12-00-00-025.000	0.73 acres	\$5.00

Town of Westfield Roads – Ridgewood Avenue, Montrose Lane, and Allen Court		6.63 acres	\$13.26

The total annual assessment for this new length of drain will be \$108.26.

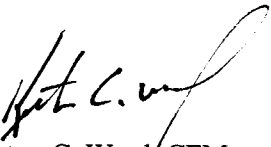

Parcels assessed for this drain may be assessed for the Cool Creek Drain at sometime in the future.

I believe this proposed drain meets the requirements for Urban Drain Classification as set out in IC 36-9-27-67 to 69. Therefore, this drain shall be designated as an Urban Drain.

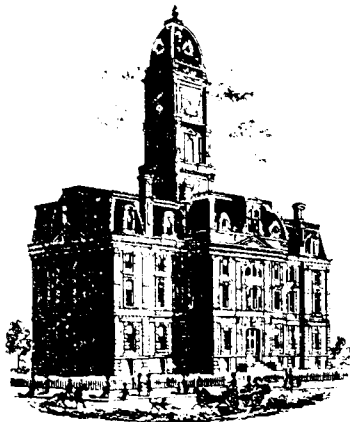

The nature of maintenance work required is as follows:

1. Removing debris and obstruction to flowline
2. Bank erosion protection and or seeding
3. Repair of tile outlets
4. Any other repairs necessary to maintain flow within the ditch
5. All maintenance to be done on an as needed basis

I recommend a hearing be set for this item for April 23, 2007.
