TO: Hamilton County Drainage Board

RE: R.J. Craig Drain

Attached is a petition filed by Terry Hiles to relocate the George White and James Bradburn arms to the R.J. Craig Drain. The petition was filed to correct a violation, which was reported to the Board on January 13, 1986. The violation was an unauthorized structure on the White Arm and within the easement for the Bradburn Arm.

Attached is a plan which I have approved, showing the proposed relocation. The cost the relocation will be paid by the petitioner. I recommend a reconstruction hearing be set for August 1987.
