To: Hamilton County Drainage Board

November 18, 2021

Re: 276th Street and 281st Street Road Improvements

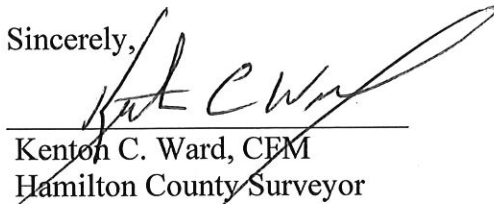

During the construction of the road improvements, minor changes were made to various regulated drains. The Surveyor's Office has as-built the various drains and written map corrections to document the changes. The regulated drains impacted by the road improvements are as follows:

H.A. Mc Mullen Drain
James Driver Drain
JR Dunn Drain
Thomas Buter Drain
Waltz, Warman, Booth, & Dickover Drain

The work was completed within road right of way or existing regulated drain easement. The work was paid for by the Hamilton County Highway Department.

I recommend the Board approve the drains' construction as complete and acceptable.

Sincerely,

Kenton C. Ward, CFM
Hamilton County Surveyor
