Re: Little Eagle Creek Drain, Westfield Extension

Attached is a drain map, drainage shed map and schedule of assessments for the extension of the Little Eagle Creek Drain. This proposed drain is located in Washington Township.

I have made a personal inspection of the land described below. Upon doing so, I believe that the drain is practicable, will improve the public health, benefit a public highway and be of public utility and that the costs, damages and expenses of the proposed drain will probably be less than the benefits accruing to the owners of land likely to be benefited. The drain will consist of the following:

Open Ditch      1,201 ft.

The total length of the drain will be 1,201 feet.

The extension will begin at the point Little Eagle Creek enters onto tract 08-09-08-00-00-001.000 on its east line. The extension will follow the existing open ditch downstream to the south property line of the afore mentioned tract.

The current rates for the Little Eagle Creek Drain are \$10.00 per acre with a \$75.00 minimum for commercial land use. The annual maintenance collection for this extension will be \$401.10.

I believe this proposed drain meets the requirements for Urban Drain Classification as set out in IC 36-9-27-67 to 69. Therefore, this drain shall be designated as an Urban Drain.

The nature of maintenance work required is as follows:

1. Bank erosion protection and/or seeding as might be required;
2. Removal of debris and/or blockages from existing open drain;
3. Removal of beaver dams;
4. Any other repairs necessary to restore proper flow to the open ditch.

The frequency with which maintenance work should be performed is annually as required by the condition of the drain.

The easements for the drain should be set at 75' from top of bank as set out in IC 36-9-27-33. Additional drainage easement will be added to the following tracts:

<u>Parcel</u>	<u>Owner</u>
08-09-08-00-00-001.000	Town of Westfield

I recommend that the Board set a hearing for this proposal for April 23, 2007.

Sincerely,

Kenton C. Ward, CFM  
Hamilton County Surveyor
