Re: Mud Creek / Sand Creek Drainage Area, Margaret Goodwin #103 Drain Arm

Upon review of the drainage sheds I believe that the Margaret Goodwin Drain should be made an arm to the Mud Creek / Sand Creek Drainage Area. I recommend this action as the Margaret Goodwin Drain is a tributary to the Mud Creek / Sand Creek Drainage Area. This would also avoid a double assessment on the tracts currently assessed for the Margaret Goodwin Drain when the remainder of the Mud Creek / Sand Creek Drainage Area is assessed for maintenance.

On February 20, 1979 the Board held a hearing to establish the drain maintenance assessment for the Margaret Goodwin Drain (Drainage Board Minutes Book 1, Page 294). At present the Margaret Goodwin Drain maintenance assessment affects 148.68 acres and 141 lots. The rate of assessment for the drain was set at \$1.50 per acre with a \$5.00 minimum. This rate collects \$1,030.70 annually and the balance within the fund is \$1,824.84.

The current maintenance assessment would increase as per the rates set for the Mud Creek / Sand Creek Drainage Area which are as follows:

1. Maintenance assessment for roads and streets be set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts be set at \$2.00 per acre and \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts be set at \$2.00 per acre and \$15.00 minimum.

4. Maintenance assessment for commercial, institutional and multi-family residential tracts be set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

The total annual assessment for this arm will be \$6,700.38. Collections for this arm will begin in 2008.

The current balance of the Margaret Goodwin Drain shall be kept separate and these funds expended for needed maintenance on the Margaret Goodwin Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Mud Creek/Sand Creek Drainage Area fund.

Future assessments for the drainage area of the Margaret Goodwin Drain will be made into the Mud Creek/Sand Creek Drainage Area fund. No further maintenance collections for the Margaret Goodwin Drain shall be made.

I recommend that the Board set a hearing for this consolidation for March 26, 2007.

Sincerely,

Kenton C. Ward, CFM  
Hamilton County Surveyor

KCW/llm

FINDINGS AND ORDER

CONCERNING THE MAINTENANCE OF THE

Mud Creek/Sand Creek Drainage Area, Margaret Goodwin Arm

On this **26th day of March 2007**, the Hamilton County Drainage Board has held a hearing on the Maintenance Report and Schedule of Assessments of the **Mud Creek/Sand Creek Drainage Area, Margaret Goodwin Arm**.

Evidence has been heard. Objections were presented and considered. The Board then adopted the original/amended Schedule of Assessments. The Board now finds that the annual maintenance assessment will be less than the benefits to the landowners and issues this order declaring that this Maintenance Fund be established.
