TO: Hamilton County Drainage Board

RE: Stony Creek Drain, Stoney Creek Estates Area

At this time I recommend to the Board that the area north of Stony Creek between State Road 38 on the north to the west line of Stoney Creek Estates to the west be assessed to Stony Creek Drain. This area is comprised mainly of the Stoney Creek Estates residential areas along with scattered non-platted tracts. These tracts drain south into the Stony Creek section which became part of the regulated drain per my report dated February 15, 2008 which was approved by the Board at hearing on May 27, 2008. (See Hamilton County Drainage Board Minutes Book 11, Pages 155-158).

The current assessment for the Stony Creek Drain was set by the Board per my report dated June 6, 2006 and approved at hearing on July 24, 2006. (See Hamilton County Drainage Board Minutes Book 9, Pages 334-336). The per acre rates were adjusted for residential and agricultural per my report for the reconstruction dated April 6, 2010 and approved at the Board at hearing on July 26, 2010. (See Hamilton County Drainage Board Minutes Book 13, Pages 103-107). The current assessment is as follows:

1. Maintenance assessment for roads and streets set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts set at \$4.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts set at \$4.00 per acre with a \$15.00 minimum.

4. Maintenance assessment for commercial institutional and multi-family residential tracts set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be considered part of the regulated drain (those systems maintained by the City of Noblesville) set at \$35.00 per lot - \$35.00 minimum. Common areas within subdivisions whose drainage systems will not be part of the regulated drain (those systems maintained by the City of Noblesville) shall be set at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within a subdivision whose drainage system will be part of the regulated drain set at \$65.00 per lot with a \$65.00 minimum. Common areas with regulated drain subdivisions set at \$10.00 per acre with a \$65.00 minimum.

The annual maintenance collection for this area will be \$4,227.40

I recommend the Board set a hearing for this matter for March 28, 2011.

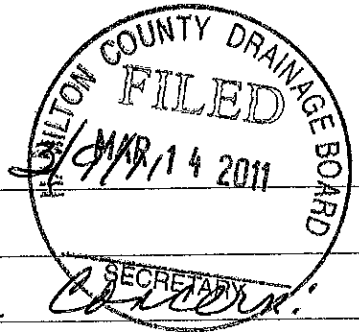

Sincerely,

Kenton C Ward, CFM  
Hamilton County Surveyor

To whom it may concern:

To the best of my  
knowledge I haven't  
seen one person in  
our subdivision

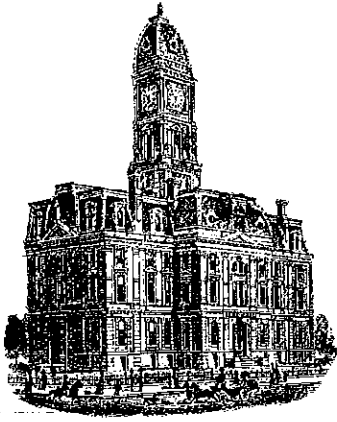

"maintaining" our drains.

With the "high taxes", insurance  
and the "low" values  
of our homes I do not  
think it is necessary  
to be charging "another" fee.

Re: Stony Creek Drain, Stoney Creek Estates Area

I am in receipt of your objection dated March 9, 2011 regarding the above referenced hearing. Please be aware that the proposed maintenance assessment is for Stony Creek.

The drainage facilities within your subdivision are the maintenance responsibility of the City of Noblesville. If the drainage facilities within your subdivision are in need of maintenance please contact the Noblesville Street Department at 317-776-6348.

Sincerely,

FINDINGS AND ORDER

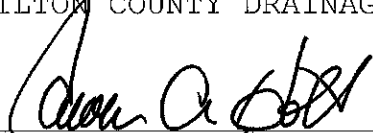

CONCERNING THE MAINTENANCE OF THE

Stony Creek Drain, Stoney Creek Estates Area

On this *28th day of March, 2011*, the Hamilton County Drainage Board has held a hearing on the Maintenance Report and Schedule of Assessments of the *Stony Creek Drain, Stoney Creek Estates Area*.

Evidence has been heard. Objections were presented and considered. The Board then adopted the original/amended Schedule of Assessments. The Board now finds that the annual maintenance assessment will be less than the benefits to the landowners and issues this order declaring that this Maintenance Fund be established.

Notice of Hearing to Establish Annual Assessments for the Periodic Maintenance of the Stony Creek Drain, Stony Creek Estates Area.

Lunik, Lynn & Michele

NOBLESVILLE, IN 46060

Under the Indiana Drainage Code, all land which drains directly, or indirectly, is assessed for either maintenance cost or reconstruction cost within the drain. In making the calculation for each parcel, the Drainage Board must calculate the percentage of the cost attributable to each parcel of land benefitted. From time to time the assessments may be increased or changed. The chart below contains your proposed assessment and your percentage of the total annual maintenance contribution to the costs attributable to providing drainage to your land.

The Drainage Board has received a maintenance report and schedule of assessments which affects your land. You are hereby notified that the maintenance report of the County Surveyor and the schedule of assessments made by the Drainage Board have been filed and are available for public inspection in the office of the County Surveyor.

The Surveyor has estimated that the annual cost of periodically maintaining the entire drain is \$4,271.92. The schedule of assessments shows you are the owner of tracts within the drainage shed. The following is your pro rata share for each tract and the proposed annual assessment for those tracts: This assessment is not a charge for services associated with regulating the quality of storm water within your city or town.

Parcel	Description	Acres Benefitted	Maint. Assmt.	% of Asmnt.
11-11-04-00-04-014.000	Stoney Crk Estates Woods Edge Lot 54	One Lot	\$35	0.82%
	Un-Reg Subd			

A public hearing will be held by the Drainage Board in Commissioner's Court at **9:05 A.M. on March 28, 2011** on the Surveyor's maintenance report and the proposed schedule of assessments. The law requires that any objection must be written and filed not less than five (5) days before the above hearing on the ground that benefits assessed are excessive. Written evidence in support of objections may also be filed. The failure of any owner to file an objection constitutes a waiver of his right to thereafter object on such ground to any final action of the Board. On or before the hearing date the Surveyor or any owner of lands named in the schedule of assessments may cause written evidence to be filed in support of or in rebuttal to any objection filed.

A public hearing will be held by the Drainage Board in Commissioner's Court at **9:05 A.M. on March 28, 2011** on the Surveyor's maintenance report and the proposed schedule of assessments. The law requires that any objection must be written and filed not less than five (5) days before the above hearing on the ground that benefits assessed are excessive. Written evidence in support of objections may also be filed. The failure of any owner to file an objection constitutes a waiver of his right to thereafter object on such ground to any final action of the Board. On or before the hearing date the Surveyor or any owner of lands named in the schedule of assessments may cause written evidence to be filed in support of or in rebuttal to any objection filed.

A public hearing will be held by the Drainage Board in Commissioner's Court at **9:05 A.M. on March 28, 2011** on the Surveyor's maintenance report and the proposed schedule of assessments. The law requires that any objection must be written and filed not less than five (5) days before the above hearing on the ground that benefits assessed are excessive. Written evidence in support of objections may also be filed. The failure of any owner to file an objection constitutes a waiver of his right to thereafter object on such ground to any final action of the Board. On or before the hearing date the Surveyor or any owner of lands named in the schedule of assessments may cause written evidence to be filed in support of or in rebuttal to any objection filed.

A public hearing will be held by the Drainage Board in Commissioner's Court at **9:05 A.M. on March 28, 2011** on the Surveyor's maintenance report and the proposed schedule of assessments. The law requires that any objection must be written and filed not less than five (5) days before the above hearing on the ground that benefits assessed are excessive. Written evidence in support of objections may also be filed. The failure of any owner to file an objection constitutes a waiver of his right to thereafter object on such ground to any final action of the Board. On or before the hearing date the Surveyor or any owner of lands named in the schedule of assessments may cause written evidence to be filed in support of or in rebuttal to any objection filed.
