Re: Village of West Clay Drain

The following tracts within the Village of West Clay should be added to the maintenance assessment for the Village of West Clay Drain. These additional tracts have been platted by the developer, Brenwick. There are no changes to the existing drainage facilities for the West Clay or Elliott Creek Drains.

Village of West Clay, Section DPO1-A	Lots 637 & 656
Village of West Clay, Section 6501-A	Lots 361 & 362
Village of West Clay, Section 3001-C, Block B	Lots 663 & 677
Village of West Clay, Section 3001-C	Lots 669 & 670

Each lot will be assessed \$120.00 per lot for the Village of West Clay Drain.

I recommend that a hearing be set for these items at the Board's August 27, 2001 meeting.
