To: Hamilton County Drainage Board

Re: Williams Creek Drain, Williams Creek Farms Arm

Attached is a drain map for the extension of the Williams Creek Drain. This proposed drain is located in Clay Township.

I have made a personal inspection of the land described below. Upon doing so, I believe that the drain is practicable, will improve the public health, benefit a highway and be of public utility and that the costs, damages and expenses of the proposed drain will probably be less than the benefits accruing to the owners of land likely to be benefited. The drain will consist of the following:

Open Ditch - 1,857 feet

The drain shall begin at the north property line of parcel 17-09-35-01-01-001.000, owned by Karl & Cheryl Koch and run downstream within the existing Williams Creek channel 1,857 feet to the west right of way of Springmill Road.

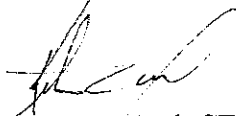

The easement for the drain shall be the existing drain, & utility easement as shown on the secondary plat for Williams Creek Farms, as recorded in the Office of the Hamilton County Recorder in Plat Book 8, Pages 1 thru 3. According to the FEMA Flood Insurance Rate Maps, Map Number 18057C0206F and 18057C0208F, this area is also covered by the floodplain for Williams Creek. Therefore, I believe that no damages will result to landowners by the regulating of this drain.

Regulated drain easement will be added to the following parcels:

<u>Parcel</u>	<u>Owner</u>
17-09-35-01-01-001.000	Karl & Cheryl Koch
17-09-35-01-01-002.000	Brian Koorsen
17-09-35-01-01-015.000	Joanna Manthei
17-09-35-01-01-016.000	Karen & Lynn Carlton
17-09-35-01-01-014.000	Kevin & Elizabeth Schmidt
17-09-35-01-01-013.000	Cynthia Pyle & Pamela Franklin
17-09-35-01-01-012.000	James Sinclair & Francis Jenkins
17-09-35-01-01-011.000	Daniel & Christine Mytelka
17-09-35-01-01-010.000	Kenneth & Annette Kistler
Springmill Road	City of Carmel

I recommend that the Board set a hearing for this extension for June 28, 2010.

Sincerely,

Kenton C. Ward, CFM  
Hamilton County Surveyor

BEFORE THE HAMILTON COUNTY  
DRAINAGE BOARD  
NOBLESVILLE, INDIANA

IN THE MATTER OF THE  
RECONSTRUCTION OF THE  
***Williams Creek Drain, Williams Creek Farms Arm***

**FINDINGS AND ORDER FOR RECONSTRUCTION**

The matter of the proposed Reconstruction of the ***Williams Creek Drain, Williams Creek Farms Arm*** came before the Hamilton County Drainage Board for hearing ***on June 28, 2010***, on the Reconstruction Report consisting of the report and the Schedule of Damages and Assessments. The Board also received and considered the written objection of an owner of certain lands affected by the proposed Reconstruction, said owner being:

Evidence was heard on the Reconstruction Report and on the aforementioned objections.

The Board, having considered the evidence and objections, and, upon motion duly made, seconded and unanimously carried, did find and determine that the costs, damages and expenses of the proposed Reconstruction will be less than the benefits accruing to the owners of all land benefited by the Reconstruction.

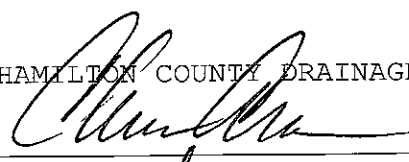

The Board having considered the evidence and objections, upon motion duly made, seconded and unanimously carried, did adopt the Schedule of Assessments as proposed, subject to amendment after inspection of the subject drain as it relates to the lands of any owners which may have been erroneously included or omitted from the Schedule of Assessments.

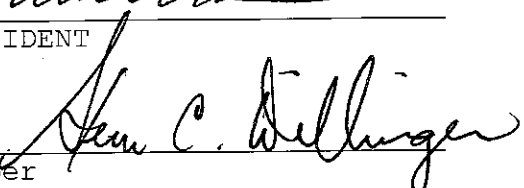

The Board further finds that it has jurisdiction of these proceedings and that all required notices have been duly given or published as required by law.

Wherefore, it is ORDERED, that the proposed Reconstruction of the ***Williams Creek Drain, Williams Creek Farms Arm*** be and is hereby declared established.

Thereafter, the Board made inspection for the purpose of determining whether or not the lands of any owners had been erroneously included or excluded from the Schedule of Assessments. The Board finds on the basis of the reports and findings at this hearing as follows:

Arm**

NOTICE

Notice is hereby given that the Hamilton County Drainage Board at its regular meeting **June 28, 2010** adopted the reconstruction report of the Surveyor and the Amended Schedule of damages and assessments including annual assessment for periodic maintenance, finding that the costs, damages and expense of the proposed improvement would be less than the benefits which will result to the owner of lands benefited thereby.

The Board issued an order declaring the proposed improvement established. Such findings and order were marked filed and are available for inspection in the Office of the Hamilton County Surveyor.

If judicial review of the findings and order of the Board is not requested pursuant to Article VIII of the 1965 Indiana Drainage Code as amended within twenty (20) days from the date of publication of this notice, the findings and order shall become conclusive.
