IN THE MATTER OF

*Nagle et al*

**REPORT OF DITCH VIEWERS**

COMMISSIONERS' COURT.

*Dist of Reg Dist 1892*  
*Examined by*  
*Samuel S. ...*

Filed. \_\_\_\_\_, 18.

Auditor.

WM. B. BURFORD, PRINTER, INDIANAPOLIS.

*603. - 7. - 494*

# Viewer's Report of *Nagle, Etal*

**Ditch.**

To the Honorable Board of Commissioners of *Hamilton* County, Indiana:

We, the undersigned, appointed by this Court, at its *June* Term, 18 *92*, to view a drain described in the

certified copy of a petition and order of Court for a *Ditch*, by *A. Guy* and others,

for the *enlargement of said ditch* handed up by the Auditor, would represent that according to said order we, on the day named therein, to-wit: the *20<sup>th</sup>* day

of *July*, 18 *92*, in company with *J. S. Coquer*, a civil engineer, made an accurate

survey of the line of said proposed *Ditch* from its source to its outlet. A plat of said *Ditch* is filed herewith

including the survey by the engineer, marked "Exhibit *B.*" We caused stakes to be set along said line, each one hundred feet, numbering

down stream, as shown by plat. We also made a computation of the total number of cubic yards of earth to be removed from said drain, and

estimated the total cost for the construction of the work at \_\_\_\_\_ Dollars. We also

apportioned and set apart to each parcel of land a share of said work in proportion to the benefits received, all of which will fully appear by a

tabular statement in this report. We have also set out by a statement below, the names of the owners of lands benefited with a description of each

tract of land, and the amount assessed against each tract. The depth of cut, the width at bottom, and width at top along said drain is also

shown in a tabular statement in this report. After a full and careful view and examination, we are of the opinion that the drain as located

by the survey will be of public utility, a benefit to five public high ways, and that the cost of construction will be less than the

benefits to be derived. Said ditch consists of the main ditch and two arms. Said main ditch commences near the northeast

corner of Lot 2, Block 7, Isaac Grant's addition to town of Arcadia, Ind., running thence E. 205 ft., North 40° E. 200 ft., North 20° E. 50 ft.,

450 ft., East 230 ft., E. 20° South 600 ft., East 1100 ft. Arm No. 1, commencing about 40 rods north and 40 rods east of the southeast

corner of the southwest quarter section 13 township 20 north, Range 4 E, thence East 13° S. 235 ft., South 15° E. 245 ft., thence South 27° E. 100 ft.,

E. 58° E. 100 ft., S. 71° E. 100 ft., E. 300 ft., E. 27° S. 100 ft., E. 36° S. 600 ft., E. 45° S. 1100 ft., S. 818 ft.,. Arm No. 2, commencing about 150 ft. north

west of the northeast corner of *part* lot No 2, *Edwards' addition to town of Arcadia, Ind.*, thence E. 10° S. 100 ft., E. 100 ft., E. 10° S. 100 ft.,

E. 16° N. 530 ft. terminating in arm No. 1.

The following statement shows who are benefited, the lands thereof and assessment thereon, location, length of each share, amount of assess-

ments, amount of benefits, amount of dirt to be removed from each share, price thereof per cubic yard, and total cost of each share:

NAMES OF OWNERS.	DESCRIPTION OF LANDS.	Station.	Township.	Range.	Acres Assessed.	Faths Assessed.	Acres Benefited.	Faths Benefited.	Amount of Benefits.	Amount of Asses'ments.	From Station.	To Station.	Feet Long.	Cubic Yards to be Removed.	Price per Cubic Yard.	Cost of Construction of Share.
