FINDINGS AND ORDER

CONCERNING THE MAINTENANCE OF THE

Elliott Creek Drain, Village of West Clay Sections 5001, 9004 &
12002-A

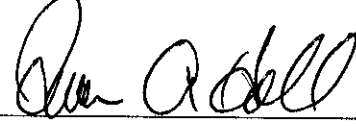

On this *22nd day of November, 2004*, the Hamilton County Drainage Board has held a hearing on the Maintenance Report and Schedule of Assessments of the *Elliott Creek Drain, Village of West Clay Sections 5001, 9004 & 12002-A*.

Evidence has been heard. Objections were presented and considered. The Board then adopted the original/amended Schedule of Assessments. The Board now finds that the annual maintenance assessment will be less than the benefits to the landowners and issues this order declaring that this Maintenance Fund be established.
