RE: Booth Snead Drain

The Hamilton County Surveyor's Office has received Evergreen Planners proposal to extend the Booth Snead Drain to the new open drain at Gray Eagle. Upon review of the proposal the extension was found to be acceptable.

Therefore, the Booth Snead tile drain extension is approved as submitted to the County Surveyor's Office on August 7, 2001. I am enclosing a copy of the stamped approved design for your records.

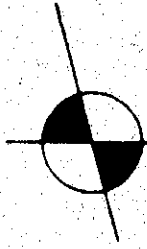

If you have any questions, I can be reached at 776-8495.

Sincerely,

Jerry L. Liston
Inspector

Re: **Booth Snead Drain**
Fishers, Indiana

Dear Jerry,

Attached with this letter is a sketch of the proposed connection to the existing tile found at the Booth Snead Drain. We will install a 2'x2' conc. Box and 50 feet of 18" HDPE pipe to outlet into the regarded drain. We are able to begin this work immediately if you approve. Let me know what you think and I will get the work started.

If you have any questions or need additional information please contact me at your convenience.

Sincerely,

Arthur L. Kaser, L.S.
