MINUTES OF THE HAMILTON COUNTY DRAINAGE BOARD
August 7, 1967

Mr. Calvin Hiatt, Chairman, called the Drainage Board to order at 1:30 PM on the 7th day of August, 1967, with the following members present; Mr. Floyd Carson and Mr. Roy Davis. Also Mr. Allan Weihe, Hamilton County Surveyor present and Mr. Joe Roberts as the Board's Attorney. The following guests were present: Mr. Basil Kincaid, Mr. Lindenauth and Mr. Chas. Berry.

The minutes of the previous regular and special meetings were read and approved as read.

Mr. Basil Kincaid asked that the Anderson-Elanton Drain culvert across 104th Street be cleared and a new culvert replace the same. The Board decided to refer the request to the Highway Department. *Analysis Blank*

Mr. Wilkes asked for help in cleaning and repairing of the Mary J. Johnson Drain, open and tile. He had a report from the U.S. Engineering Department relative to Drains as to the costs and requirements in the repair of same. It was agreed that Mr. Weihe is to send a letter recommending his idea as to what should be done and also the cost. *Mary J. Johnson Drain*

Mr. Chas. Berry, for Mrs. Mollie Berry land, asked about the assessment on 20 acres for the repair of the Martha Darrah Drain. He does not believe that the Martha Darrah Drain drains any of Mrs. Berry's land. It was shown to him by records and maps that the land has always been assessed for this Drain. He accepted. *Martha Darrah*

Mr. Lindenauth of the Indiana-Michigan Transmission Line asked the Board to check the location of the towers on a new transmission line across Hamilton County, Indiana, relative to interfering with the drainage system and Mr. Weihe, County Surveyor, is to check the data.

Mr. Weihe, as Hamilton County Surveyor, made a Maintenance Report for the Walker-Darnell Drain. This report is on file in the records of the Drainage Board.

A resolution was made, seconded and approved that the Walker-Darnell Drain as described be made a Legal Drain as petitioned and be classified as needing Annual Periodic Maintenance and the owners of land in the Drainage area for said Drain be assessed at the rate of 50¢ per acre per year and a minimum assessment of \$53 per year. A hearing is to be held on the 2nd day of October, 1967 at 2:00 P.M. *Walker Darnell*
